Title:

Devices and Systems for Blood Flow Assistance

Commissioner for Patents P.O. Box 1450 Alexandria, Virginia 22313-1450

INFORMATION DISCLOSURE STATEMENT

Applicant wishes to make of record in the above-identified application the document on the attached Form PTO-1449. A copy of the non-patent reference is enclosed herewith, as well as a link to a web site.

The undersigned believes that this Information Disclosure Statement is being filed before the mailing date of a Final Action on the merits for the above-referenced application.

Accordingly, Applicant is authorizing the charging of \$180 for filing this paper. Should any additional fees be required, such fee should be charged to our Deposit Account No. 50-2882, under Order No. BIG-101 and this Information Disclosure Statement should be considered.

It is respectfully requested that the information be expressly considered during the prosecution of this application, and that each reference be made of record therein and appear among the "References Cited" on any patent to issue therefrom.

PATENT

This submission does not represent that any referenced document is material or constitutes "prior art." If it should be determined that one or more of the referenced documents constitute "prior art" under United States law, Applicant reserves the right to present to the Office the relevant facts and law regarding the appropriate status of the reference or references.

Applicant further reserves the right to take appropriate action to establish the patentability of the disclosed invention over any referenced document, should it be applied against the claims of the present application.

Respectfully submitted,

Date: 30 November 2005
